

Sonoma Mountain High School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Sonoma Mountain High School (SMHS) is a Necessary Small School, offering an alternative program for students who would benefit from:

Smaller school setting

Close contact between students and staff with more individualized instruction

More flexibility in the daily schedule

Sonoma Mountain High School is a small continuation high school and credit recovery program. The small school is able to provide a program that encompasses all curricular needs for students to earn the 220 credits necessary for their high school diploma.

Students at the site have the opportunity to co-enroll in elective classes at Casa Grande High School, as well as access the food services program and the Career Center at the comprehensive site. Sonoma Mountain students are afforded the opportunity to participate in the comprehensive school's athletic programs, dances and other functions and events.

Students are supported in concurrent enrollments with Santa Rosa Junior College and Petaluma Adult School. Online credit recovery is available on a limited basis. Site based mental health counseling is provided by a licensed MFT and a counseling intern. Academic advisory is provided by the teachers every six weeks (at a minimum). Truancy and truancy issues are addressed by the site and district through Student Attendance Review Teams (SART) and the Student Attendance Review Board (SARB). SARB meetings are held once monthly at the district office and SART meetings are held at the site as necessary.

SMHS is designed as an alternative for high school students who have not been successful at the traditional high school, putting them at risk of dropping out.

Students are enrolled in Sonoma Mountain High School on a voluntary basis. Students who were disconnected from the traditional school, resulting in attendance issues or problems earning sufficient academic credit, might particularly benefit from the program because of the emphasis on daily attendance and the opportunity to complete additional work to make up lost credits.

Vision Statement:

Upon graduation Carpe Diem and Sonoma Mountain High School students will have a personal plan for life after high school, which includes:

- College and/or Career Plan
- Academic Success and Employability
- Social and Emotional Well-Being

Mission Statement:

Carpe Diem and Sonoma Mountain High Schools provide a personalized approach to education that supports each individual student by engaging them in the development of their vision for future post-secondary success.

- Our academic approach integrates standards based instruction, technology and the development of 21st century skills.
- We acknowledge students’ unique personal and educational backgrounds and provide a flexible, supportive learning environment in order to best fit their personal, social/emotional, and educational needs.
- Our students participate in career explorations through college and career counseling, presentations, field trips and classroom activities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	10	N/A	44	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019-2020)

Students at Sonoma Mountain High School are encouraged to enroll in CTE classes offered at Petaluma High School and/or Santa Rosa Junior College. Agreements are in place for students to be co-enrolled in either educational setting as part of, or outside of, their regular school day. Credits earned are applied to the student's high school transcript and count toward their graduation requirement.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

We always need parents to help as drivers and chaperones for day outings and field trips. We can always use parents to serve on the School Site Council. We welcome parents who might want to share their career path and occupational details with the students. Parents can help with our Outdoor Education program, including day hikes and/or overnight camping. For more information on how to become involved, contact Gregory Stevenson, Principal, at (707) 778-4738.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Expulsions	0.0	0.0	0.3	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	5.26	9.85	NA
Expulsions	0	0.18	NA

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Our School Safety Plan and our Emergency Plan are closely connected to the plans of Casa Grande High School (CGHS), on whose campus we reside. We coordinate activities, emergency preparedness drills, fire and safety drills, and more with CGHS. Each plan is reviewed annually, and updated as needed and as required by law .

The School Safety Plan was most recently reviewed, updated, and discussed with school faculty in the Spring 2020.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4

Four (4) professional development/staff development days have been built into the work year calendar for the 2018-2019, 2019-2020, and 2020-2021 school years. District staff were surveyed to collect teacher professional development interest/need. The area of highest interest/need were selected as topics for the professional development days. Professional development days were divided into elementary and secondary topics, and the PD was delivered in a workshop model with a variety of sessions offered. Some of the workshop sessions offered included, math implementation, site-level collaboration, technology support, Maker/3-D printing, inquiry and project-based learning, effective influences on student learning, classroom management, accessing/discerning reliable information, and environmental literacy. Teachers also attended workshops, trainings, and conferences provided by the Sonoma County Office of Education, among other outside providers. To support implementation, several committees have been formed and meet regularly to plan for continued teacher support. The K-12 Curriculum/Staff Development committee met and planned the professional development days. All teachers participated as members of Professional Learning Networks (PLNs) and met monthly to further their collaborative work. Teachers also are provided time on early-release Wednesdays district wide for teachers to participate in collaboration, professional development, and staff meetings.
