Approval of the 2018-19 Unaudited Actuals for the Petaluma City Elementary/Joint Union High School Districts for all Funds

Situation:

In accordance with the provisions of AB 1200 and Education Code Section 41200, the Governing Board of each school district must approve an annual financial statement of all receipts and expenditures of the Districts for the preceding year for all funds. The reporting format for the financial statements is established and mandated by the state (SACS Financial Reporting Software) and they must be approved and submitted to the Sonoma County Office of Education (SCOE) on or before September 15th.

Plan:

The plan is to present the 2018-19 Unaudited Actuals for the Petaluma City Elementary/Joint Union High School Districts

This agenda item presented for Board discussion and approval is the 2018-19 Unaudited Actuals for the Petaluma City (Elementary) and Petaluma Joint Union High School Districts (DISTRICT). Upon approval of the financial statements by the Board of Education, the SACS Reports are forwarded electronically to the Sonoma County Office of Education no later than September 15th for compliance review with the technical provisions of the Code Sections. SCOE is required to forward them electronically to the Superintendent of Public Instruction on or before October 15th.

The following reports are included in the SACS State Software:

- Unaudited Actuals Certification
- Summary of Unaudited Actuals Data Submission
- Table of Contents
- General Fund Form 01 Unrestricted and Restricted, Expenditures by Object, Expenditures by Function (used for publication of statistical bulletin)
- Fund forms for all other funds used by the district
- Average Daily Attendance (Form A)
- Schedule of Capital Assets (Form ASSET)
- Schedule of Long Term Liabilities (Form DEBT)
- Appropriations Limit Calculation (GANN Limit Form)
- Current Expense Formula (Form CEA)
- Lottery Report (Form L)
- Indirect Cost Rate Worksheets (Form ICR)
- No Child Left Behind Maintenance of Effort (Form NCMOE)
- Special Education Maintenance of Effort (SEMA/SEMB)
- Program Cost Report Allocation Factors (Form PCRAF)
- Program Cost Report (form PCR)
- Summary of Interfund Activities Actuals
- Technical Review Checks (TRC)

All of the reports reflect that DISTRICT has met the criteria for State & Federal Compliance on Maintenance of Effort, Special Education Maintenance of Effort, and the CEA (minimum classroom compensation) formula.

The following is a list of the ending fund balances as of June 30, 2018:

- Fund 01 (General Fund) \$17,569,885
- Fund 11 (Adult Education Fund) \$2,101,051
- Fund 13 (Cafeteria Fund) \$219,631
- Fund 14 (Deferred Maintenance Fund) \$22,537
- Fund 21 (Building Fund) \$20,041,421
- Fund 25 (Capital Facilities Fund) \$1,754,781
- Fund 40 (Reserve for Capital Outlay) \$2,325,422
- Fund 51 (Bond Interest & Redemption Fund) \$11,679,142
- Fund 63 (Enterprise Fund) \$10,471
- Fund 67 (Self Insurance Fund) \$409,348
- Fund 73 (Foundation/Trust) \$116,269

Each year there are fluctuations in both the revenues and expenditures for the Unrestricted and Restricted components of the General Fund. The major reasons for the variances can be explained as follows:

1. Revenues:

- a) Interest earnings came in higher due to higher interest rates.
- b) Lottery earnings (Prop 20 and non-Prop 20) came in higher based on estimated final 4th QTR rates from the State
- c) Local Control Funding Formula (LCFF):
 - i. There were fluctuations in the various components of local property taxes, due to final CALPADs unduplicated counts of ELD, Foster Youth and Low Income students. The net variance is \$<58,066> and is due in part to prior year adjustments in State Aid

2. Unrestricted Expenditures:

- a) Certificated Salaries came in lower due to open positions, lower than anticipated home/hospital costs, substitute costs, summer schools costs, and vacancies due to leaves of absence.
- b) Administrative salaries came in lower due to lower than anticipated interim certificated administrator costs for leaves of absence.
- c) Classified Support came in higher due to reclassification of ESD Custodial costs from Routine Restricted Maintenance to Custodial/Operations (unrestricted) and vacation buyouts.
- d) Other Classified were lower than budgeted to due challenges in recruitment of MFT trainees and interns.
- e) Materials and Supplies had a significant variance due, in large part, to local donations and site budgets that create carryover of approx. \$276,000 as well as lower than anticipated software licensing costs
- f) Variances in other Operating expenditures due to lower e-rate credits, lower utility costs (1.4%), Parcel Tax Fees, lower copier maintenance costs due to copier replacement, higher legal fees related primarily to Safeway Gas Station and Various Charter renewals. Higher Final Gateway to College contracts spending down Gate-way to College carryover.

3. Restricted Expenditures:

a) STRS and PERS In accordance with GASB 68 (Accounting and Financial Reporting for Pensions-STRS On-Behalf Contributions), Governmental LEAs, including Public School Districts, must record the State's contribution to both CalSTRS (3100) and CalPERS (3200) on behalf of the LEA employees. Therefore, as part of the fiscal year end closing process, we are required to

recognize the state's on-behalf pension contribution to CalSTRS as a STRS and PERS expenditure in the Restricted General Fund with a corresponding credit to state revenue (8590) in which the net effect to fund balance is zero. This has created a significant variance as the calculations have increased significantly due to the increases in STRS and PERS rates without having any negative impact on the ending fund balance.

4. Components of Ending Fund Balance

a) Restricted:

- i. Legally Restricted Program reserves will be budgeted in the 1st Budget Revision for schools and departments to access the funds. These are funds that are intended for a particular purpose and cannot be used otherwise \$6,590,866
- b) Committed: NONE
- c) Assigned:
 - i. The District is recommending several Board designated set-asides.
 - 1. 2% Reserve for Economic Uncertainties \$1,796,865

Reserves and Components of Ending Fund Balance:

Non-Spendable:	
Revolving cash	\$ 30,700
Stores (Fuel/Oil Inventory)	\$ 32,831
Prepaid Expenditures	\$ O
Restricted	\$ 6,590,866
Committed	\$ O
Assigned	
2% Reserve of Economic Uncertainties	\$ 1,796,865
South County Consortium EFB	\$ 839,636
Local site donation	\$ 355,295
